MARK YOUR CALENDAR:

September 15 – Maine Open Lighthouse Day. If you haven't signed up to help at Bug Light but have time to drop by, Jack Roberts would love to have your help. Bug Light is very popular on Lighthouse Day because it is the only area lighthouse that allows admittance to small children.

September 15-16 – we will be selling tickets to Theater Night at the IGA – contact Kathy Cotter if you'd like to help.

September 20 – Any Dream Will Do! – Joseph and the Amazing Technicolor Dreamcoat at Portland Players. The theater has been newly painted just in time for the show and looks beautiful. See Kathy Cotter for tickets.

October 6 – 8 – Rotary District Walk for Peace – Marge Barker will be participating; see her or the District website for more information.

October 19 – Selection of designer for Ft. Williams Children's Garden. Kirk reports that all 5 of the designs submitted are great and show a lot of promise.

New Generations Month - Interact – Our club is the proud sponsor of two Interact clubs, Rotary International's service club for young people ages 12-18. Both clubs met this week to begin to formulate plans for the year. As they plan projects, our liaisons will report back to us on how we can help them. Both clubs plan to participate in the soup kitchen and to help with the tree sale.

South Portland High School:

School Adviser = Jen Major

Club Liaisons = Kirk Henriksen & Michelle Danois

Cape Elizabeth High School

School Advisers = Chris Newell & Courtney Ferrell

Club Liaisons = Ellie Speh & Tony Wagner

Speaking of Soup Kitchen – We served 303 people at the soup kitchen Tuesday night. Helping out were Bill Y., Kaylene, Tony, John T., Cyndi, Nils, Brian, Phil, Paul, Bags and of course Joe Conroy. (Note that under the new editorial policy/whim, you might not get your name in the bulletin for your happy dollar but you will still always get your name in print for serving at the soup kitchen.)

Skating Shelter – We are putting the finishing touches on the shelter; it will be moved back to SMCC so the Welding Dept. can install railings. The SP Parks & Recreation director was impressed by the shelter and would like to have it dedicated at the same time as the Mill Creek Park renovations in late October.

Raffle – Tonight's raffle prize was a tbd gift donated by Nils and won by either Jim Russell or Frank Butterworth – Jim did not want the stigma of winning again so he insisted that Frank owned the winning ticket.

Club Assembly – Bill Daviero suggested honoring one of our members by purchasing additional holiday tree lights for Mill Creek Park and having him “flip the switch” at the Tree Lighting Ceremony. Everyone concurred that this is a great idea (subject to the city agreeing to the labor involved in putting up the additional lights) – thanks for thinking of it, Bill!

Other items discussed at the assembly were membership development, keeping new members engaged in activities, assigning mentors to new members and doing monthly hands-on projects.
