Mark Vogelzang, CEO of MPBN spoke about the organization's goals – investing in journalism, offering more choices to the audience, moving into the digital realm, and solidifying state funding support. A newcomer to Maine, Mark lives in Scarborough and brought with him Cape Elizabeth resident Cory Morrissey, who has just joined MPBN as Director of Marketing. The club was surprised and pleased to learn that Portland and Bangor are both ranked in the top 5 cities of the country for public television viewing per capita.
