**Tree Lot Setup** - We had a successful tree lot setup on Sat. Nov. 23<sup>rd</sup>. The movement of the equipment from Ft. Williams to Mill Creek was accomplished thanks to the generous support of Tamaro Landscaping and Property Management. They loaned us a large stake truck to haul the heavy materials, and they will provide the truck again for take down. Without the truck we would have had to make several trips. Many thanks to Nick Tamaro, a Buy Local and Cape Business Alliance member.

### **Quiz Time!**

The trash barrel marked “Stumps Only” is for:

- a. Stumps
- b. Stumps
- c. Stumps
- d. Stumps

### **Other Tree Stuff**

- We will begin taking credit cards this weekend if customers specifically request it. We will explain that our preference is cash or check because more money goes to charity that way but if the customer really wants to pay by credit card we will accept it. Instructions and the phone with the Square reader will be in the trailer.
- We ordered a lot of 7’-8’ premium trees – these have yellow ribbons – when sorting please be sure these end up on the premium racks.

**WinterFest Update** – Tony reported that we are expecting gross receipts of \$26,000, so after expected expenses of \$7,000, our net profit should be around \$19,000. Thanks to everyone who sold sponsorships and ads. The skating rink is under construction and when in use, will fly flags of the City of South Portland, Rotary and Port Harbor Marine.

**Raffle** – Jon Talty won a Scratch gift certificate, as well as a baked pudding from Australia brought back by Mike McGovern.

**Don’t Forget Your \$50 Voucher!** – Everyone in the club has the privilege of directing \$50 of our funds towards an established charity or an individual in need. You have six months left to use your voucher for the current year, but giving to charity is on everyone’s minds now so this might be a good time to use it. You can either pay \$50 yourself and ask Nancy Irving to reimburse you, or give her the specifics of where to send the check.
