Congratulations to US! – This week's meeting was all about celebrating our club's accomplishments at WinterFest. Our District Governor Carolyn Johnson nominated our club for Rotary's Significant Achievement Award, which was created in 1967 to promote new projects that meet community needs. Out of over 35,000 Rotary clubs in the world, only 207 awards were made this year – and our club was one of them! Carolyn said that she chose our club to nominate because of the high level of club involvement – not just donating money but giving personal effort. The nicely framed plaque reads as follows:

Significant Achievement Award

Is hereby presented to the Rotary Club of South Portland Cape Elizabeth in recognition of outstanding and significant community service efforts.

The plaque is signed by RI President Ron Burton and DG Carolyn.

On hand to help us celebrate were:

- Rick Towle and Lisa Thompson from South Portland Parks & Recreation Department, our partner in the event, and
- Rob & Mike Soucy – owners of Port Harbor Marine, which donated the funds for the ice rink and ice maintenance equipment.

Receiving the award on behalf of the club were President Ellie Speh, WinterFest chair Tony Wagner, President-Elect Kathy Cotter, VP Scott Irving and Alec Livingston.
