Auld Lang Syne – President Ellie reviewed the MANY achievements of our club in the past year and recognized her board members (printed below for the last time!) and others who contributed to a successful year, not least of all being her husband Chris! Ellie was presented with the traditional Past President's pin as well as a beautiful photograph of Bug Light.

And In With the New – New President Kathy Cotter was joined at the meeting by her family – Past President Peter Cotter and their children Sarah, Patrick and daughter-in-law Megan. Kathy reviewed her goals for the upcoming year:

- Re-visit the visioning process
- Establish a relationship with the Cape Elizabeth Lions Club
- Continue our efforts to help the VA
- Focus on food insecurity in schoolchildren
- Continue our literacy programs
- Repairs and maintenance of Bug Light
- The Children's Garden in Fort Williams
- Service projects in both communities
- Attracting new members and engaging current ones

If anyone has ideas for short-term (i.e. one day) hands on service projects, please let Kathy or a board member know.
