What's New With Our Members

Welcome Back, Paul Butler!

Happy Birthday, Sharon Anderson (May 24)

Congratulations to AJ Frustaci and Megan Ray, soon-to-be college graduates (this is a mistake, right - little AJ and Megan are graduating from COLLEGE already?)

Congratulations to David Rogers on the birth of his 5th grandchild.

A huge thank you to Marc Mutty for the assistance he has provided to Steve Wilcox's children who are out-of-state in helping to arrange for the sale/donation of the contents of his home. Thanks also to Tom Meyers for helping to get ready for Saturday's sale.

Thanks to Cyndie, David Lourie, Phil, Paul and Joe for working at the soup kitchen this week.

The Latest Pie Chart – Frank reports that we have exceeded our annual giving goal to The Rotary Foundation – we have donated \$11,683 so far, which is 106% of our goal – hooray for us! And we are inching closer to the Every Rotarian Every Year goal, with a special thanks to Cap'n Lloyd Knight – we miss you Cap'n and hope you're doing well!

Attendance Changes – Our new secretary Marc is really shaking things up – as of July 1 instead of initialing a gold card when we arrive, we will be initialing a roster and checking a box for whether we're eating or not. Can we handle all these revolutionary changes!

Raffle – The mystery has been solved – the mystery prize that Scott Irving won was a gift card to the Local Buzz donated by President Ellie.

Ahoy! – We have reported in the bulletin many times that the Sea Cadets have been helping out with various projects of ours – most notably the tree sale – but just who are these young folks? Commander Holly Forbes and three cadets (Scott, Seth & Corey) came to our meeting to tell us about themselves. The Sea Cadets are a leadership program of the Navy and Coast Guard for both girls and boys between the ages of 11 and 17. The local unit has 45 cadets and received the highest grade in the region at a recent annual inspection. The cadets put in a lot of hours volunteering – Seth logged over 500 hours of volunteer service last year! – and our club truly appreciates it!!!
