Dear Friends,

On behalf of My Sister's Keeper I want to thank you for the donation of \$150.00 to our organization. This financial donation will be used to support the women with whom we work.

It is the support of groups such as yours which allows My Sister's Keeper to continue the important work of assisting at risk women.

Should you have any questions or seek additional information about My Sister's Keeper, please feel free to contact me at the number listed below.

With blessings and appreciation,
