## *What's New With Our Members*

*Happy Birthday to Adrienne Murphy - December 8*

*Thank you once again to Jim Russell for taking notes on short notice!*

**The Song Master** – Ordinarily we don't include Arts coverage in the bulletin but when Tom Meyers leads the singing it's always something special. Tom led us in a stirring rendition of "Christmas Trees Are Coming To Town" sung to the tune of "Santa Claus Is Coming To Town." For those of you who weren't at the meeting, you missed a classic.

**Gimme Shelter** – In response to the devastating typhoon in the Philippines, our club is donating \$1,000 to ShelterBox. ShelterBox is an organization which was originally founded by Rotarians and it provides a tent, sleeping bags, cookstove & utensils, etc., etc. – even crayons for the kids. These "boxes" are on display at Rotary conventions and are very impressive.

**Raffle** – A gift certificate to the Longhorn Steakhouse donated by Paul Butler was won by Joan Frustaci.

**What Does Jim Do?** – Tonight's program was a classification talk from one of our newest members, Jim Britt. For those of you that are new to the club, a classification talk is when a member gets up and talks about what they do in their professional life. Jim and his wife run a marketing company focusing primarily on hotels and restaurants. Jim's target market is a small to medium sized company where they can become an extension of the particular company's marketing department. They work in all aspects of marketing including but not limited to: advertising, newsletters, emails, public relations, and all sorts of new media. Jim was drawn to Rotary by his need to give back to the community and he looks forward to doing that with our club. Thank you to Jim for speaking to our club on such short notice.
