What's New With Our Members

Happy Birthday to Kaylene (Nov. 16)!

Congratulations to Bob Flynn for his 2 years of perfect attendance!

Thank you to Jim Russell, who filled in to take notes on short notice while the bulletin editor was attending a workshop coincidentally sponsored by SCORE (see speaker below)

Raffle – Sue Sturtevant was the lucky winner of a gift certificate to Verbena (restaurant) donated by Alec Livingston.

Soup Kitchen – Tuesday November 12 is our monthly soup kitchen obligation. Set up is at 4 pm and serving is at 5:30. Friends, co-workers and family are encouraged to attend as we need all the help we can get. As the holiday season approaches, this is a great time to experience the soup kitchen for the first time.

Lac Megantic Update – Marge Barker reports that someone has come forward to provide Christmas gifts for the seven hundred children of the town in Quebec devastated by the railroad accident. At this point, we're being told to sit tight but we will probably be asked to contribute to the local food pantry in the future as well as provide teddy bears for the children.

WinterFest – Tony Wagner reports that the front cover and inside back cover have been sold. The back cover is still available. November 15 is the cut-off date to sell the ad space. Plans for the ice sculpting contest and the pancake breakfast are proceeding. More to follow at a later date.

SCORE! – No, we're not talking about soccer or hockey. Tonight's speaker was Nancy Strojny, chapter chair of SCORE. SCORE is a volunteer network of knowledgeable mentors who help emerging and existing small businesses solve problems and create jobs and revenue in their communities. SCORE is a resource partner of the US Small Business Administration. The services that they provide are free and they like to say they are here "For the life of your business." SCORE is looking for volunteer mentors who have owned their own businesses or served in management and can provide real world business experience that they can share. Thank you to Nancy for speaking to us tonight. (*And editorial note – thank you to SCORE for sponsoring the Maine Tax Forum!*)
