What's New With Our Members

Happy Birthday to Bob Danielson (10/15)

Let's Make Some Ice! – On behalf of the club, President-Elect Kathy Cotter presented a check for \$15,000 to the City of South Portland. Rick Towle, SP Director of Recreation & Parks, along

with his associate Lisa Thompson, was on hand to receive the check. The city will use the funds to build an outdoor skating rink at Wainwright Fields. The skating rink is also being made possible by donations from the Soucy brothers, owners of Port Harbor Marine.

Waterfront Protection Ordinance – Our program tonight was a panel discussion about the Waterfront Protection Ordinance which will be on the ballot in South Portland in November. Participating in the discussion were:

- David Lourie, the attorney who draft the original ordinance and co-wrote the existing proposal,
- Burt Russell from Sprague Energy,
- Chris Gillis from Portland Pipeline, and
- Natalie West, retired attorney who supports the ordinance.

Thanks to all of the speakers for a very relevant and informative program.

Raffle – Guest speaker Natalie West won the raffle gift of a Tim Horton's gift certificate donated by Nancy Hawes.

I See the Light – Thanks to Tom Meyers and Tony Wagner for making the light at Bug Light functional again (replacing the battery and two lamps, leveling the lens, focusing the lamps, etc.).
