(Sorry if I missed anyone – there was no official list)

Partners for World Health – As noted above, in lieu of our regular meeting on October 16, we will be volunteering at PWH on Saturday morning, October 19 (followed by pizza!). For newer members, this is a fabulous organization which our club has supported with time and money over the years. It collects new unused medical supplies that our red tape in the US would require to be thrown out, and ships them to overseas countries badly in need of them.

Directions: The current warehouse (they're moving to larger space on Broadway soon!) is at 7 Glasgow Road in Scarborough. Glasgow Road is a side street off of Pleasant Hill Road, which you can get to by going south on Route One and turning left onto Pleasant Hill – if you go this way, Glasgow Road will be on your left just a short way up Pleasant Hill Road. Alternatively you can go out Highland Avenue and turn right on Pleasant Hill Road – Glasgow Road will be on your right and almost to the end of Pleasant Hill. It's more or less across from Moody's Collision Center. You can see PWH from Pleasant Hill Road – it's the first building on Glasgow Road.

Raffle – Bags won a gift certificate donated by Ellie Spheh. Following the regular drawing Bill Daviero also won a mystery prize – which is still a mystery.

Sticking With It Awards – Paul Butler presented perfect attendance pins to the following:

One Year

Bill Anderson
Bill York

Three Years

Marge Barker
Kathy Cotter
Nancy Irving
Scott Irving
David Lourie

Congratulations and thanks for your faithfulness!

WinterFest 2014! – Kathy Cotter reviewed the activities that will be taking place on Friday evening, January 31 and all day Saturday, February 1. The Friday evening events will be in Mill Creek and the Saturday events at Wainwright Fields. In addition there will be a scavenger hunt involving businesses in Mill Creek. Our club's involvement includes cooperation with SP Parks & Recreation (SPPR) in the planning, assisting with manpower on the days of the events, putting on a pancake breakfast (tentative) and fundraising. Most members have been approached about soliciting businesses for program ads or sponsorships. **If you do sell a sponsorship, please let Marge Barker know, especially if it involves selling the cover ads on the program** (so that we don't oversell the cover ads!) Marge can be contacted at mbarker173@yahoo.com. Funds raised will go towards all of the activities that tree sales and our other fundraising activities support (scholarships, soup kitchen & Food Cupboard, polio eradication, etc.) It was stressed that although SPPR is our co-sponsor, they view this as an event for South Portland and neighboring communities; they especially want Cape Elizabeth residents to feel included.
