Dear Friends of Safe Passage,

Our students and families believe in the hope of a better life through education and hard work, with the support of Safe Passage. The support and dedication of people like you enables them to continue believing in this dream. Because our program depends on the generosity of individual donors, you are playing an important role in making education attainable for children who otherwise would not have this opportunity.

Please take pride in knowing that your gift of \$500 received in our U.S. office on 3/21/2014, will help to change many lives for the better.

Many thanks,

Todd Amani
Executive Director
