**Rotary Day of Caring – e-Waste Collection** - Portland Sunrise Rotary will hold an e-Waste collection on September 27 from 9 - 12 in Lowe's parking lot on Brighton Ave., in Portland. Plan to drop off unwanted, obsolete and inoperable electronics that you ordinarily need to pay to get rid of. Monetary donations, which will be used to support Rotary projects, are happily accepted! Stop by on your way to or from the District food project at the Maine Mall. Contact Sally Pachulski ([pachulski@gmail.com](mailto:pachulski@gmail.com)) for a list of eligible and ineligible items. This is a great way to do some fall cleaning and help Rotary projects.

**Rotary Leadership Institute (RLI)** –What is RLI? According to their website, RLI seeks to provide "a quality education in Rotary knowledge and leadership skills so important in voluntary organizations." It is aimed especially at newer members. The next one in our area will be on October 18 from 7:30-3:30 at Lewiston Auburn College in Lewiston. Please see Marge for more information.

**Welcome, Lawrence and Barbara!** – No, not Laurenz and Barbara Schmidt, but District Governor Lawrence Furbish and his wife Barbara Sutcliffe, both members of the Sanford-Springvale Rotary club. Lawrence talked about this year's motto "Light Up Rotary" and how it

aligns with Confucius' saying that it is better to light a single candle than to curse the darkness. He described the three facets of Rotary International's strategic plan:

1. Strengthen Clubs
2. Increase Humanitarian Service
3. Enhance Public Awareness

Our District Governor is tech-savvy and communicates with his presidents via entertaining videoblogs, which you can find on the District 7780 website. Eradication of polio is a topic near and dear to the governor's heart so as our way of thanking him for his visit and his service to the District this year, our club donated \$2,000 to PolioPlus in tribute to him.
