What's New With Our Members

Happy Birthday to Jack Roberts (January 16)

Thank you to Doug Schauf for arranging our meeting at the Y

Congratulations to Michele Danois for:

- 1. Participating in the Lobster Dip for Special Olympics, and*
- 2. For being selected as the Sentry's Great Person of the Year!!*

Congratulations to Scott Irving and to everyone involved in the tree sale - early reports are that we made approximately \$42,500!

It's Fun to Stay (or at Least to Eat Dinner) at the Y-M-C-A! – Those of us who braved the cold and wind were treated to good food, good company and a very interesting presentation about the Y from CEO Helen Brena. Did you know that the Y was founded in London in 1844 – as a wholesome alternative to the evils of the big city for young men coming to the city from rural farms. While the name is still technically Young Mens Christian Association, it is an inclusive organization – all ages, both sexes and all (or none) religious affiliations. The YMCA of Southern Maine has 4 branches – Portland, Freeport (Casco Bay), Biddeford and Pineland Farms. The Y focuses on

- Youth Development – nurturing the potential of every child and teen
- Health Living – and they're more than just gym & swim
- Social Responsibility – including an 88-room dormitory for men and free family memberships for military families with while a family member is deployed.

Helen gave us free passes to use the Y between January 16 & February 6 (for those of you not there, she said you could print them from the website but I couldn't find it; maybe it's not live until January 16?)
