What's New With Our Members

Happy Anniversary to

Paul & Jan Butler (August 11)

Dick & Priscilla Yerxa (also August 11)

Congratulations to Jose Gonzales (Anamaria's brother) for being selected as our District's candidate for a Rotary Peace Fellows scholarship. See your District 7780 newsletter for more details about Jose, and about the Peace Fellows program.

Welcome back, Bob Flynn!!!!

Congratulations to Paul Butler for coming in first in his age category at the Spring Point 5k Classic!

Party at Dan & Shirley's – As noted in Kathy's emails, we will not be at Purpoodock next week. Instead Dan and Shirley Mooers have graciously agreed to invite us (including spouses) to their home for a social evening, honoring Mike McGovern. Mike is in the middle of a 4-year term as Rotary Foundation Trustee and has been selected to be Vice-Chair for the second year in a row. Note that this will not be a dinner, but feel free to bring an appetizer if you are so inclined. Wine will be provided, but if you prefer beer you can bring your own.

Spring Point 5K Classic – The race held last Saturday was a huge success by all accounts. The weather was sunny but not too hot, the t-shirts were awesome, there were 52 more runners this year than last year, and we raised somewhere between \$4,500 and \$5,000. CONGRATULATIONS to the Race Committee:

- Bob Flynn, Chair
- Tom Meyers
- Bill Phillips
- Dave Bagdasarian
- Bob Danielson
- Jim Russell
- Brian Murphy
- Jason Seymour (Both Brian & Jason have left the club due to business pressures but both continued to serve on the race committee.)

(Note that this is a testosterone-laden committee – all female club members should consider this your invitation to infiltrate the committee.)

A special thanks also to Jim Britt for getting us the segment on “207” on Channel 6 the night before the race!

Working with the “Kids with Funny Suits On” – This is how new member Steve Klemm describes the 117 chimpanzees at the Jane Goodall Institute where he worked for three months in 2005. Steve started a non-profit in Bali called the “Great Ape Protection Program” in Bali, which he ran for 10 years. Steve painted a bleak picture for these animals, whom he predicts will cease to exist in the wild in about 10-15 years due to deforestation. The sanctuary employed 40 armed guards to protect the chimps from poachers. Steve got the idea of providing additional protection

through aerial photography. This interest in aerial photography eventually led to his current profession of aerial photography using drones, which he streams to the internet.

Steve also spoke about the Rotary Club in Bali where he was a member for 12 years and said that “it was an honor to be part of it.”
