Maine Mall Meal Packaging Event

Who: Kathy Cotter, Marge Barker, John LoBosco, Michele Danois, Sybil Riemensnider, Nancy Hawes and about 50+ Rotarians, family members and Interactors from around the district (mainly Sebago Lakes aka Windham)

What: Packaging about \$8,000 worth of bulk macaroni, soy and cheese powder packets into sealed plastic bags. (Our club donated \$500 towards food.)

Where: Maine Mall

When: Saturday, September 27 for 3 ½ hours

Why: To donate macaroni & cheese packages to food pantries in western Maine. This event packaged enough meals to feed 31,000 people. Congratulations to everyone involved and especially Sebago Lakes Rotary for leading the effort.

Frank Butterworth Continuing to Mend – But he has quite a way to go before he will be up and around so Debbie could use some help with leaf-raking in the next couple weeks. Look for information about this soon.

Physicians for Social Responsibility – Dr. Doug Dransfield, retired pediatrician who lives in Cape Elizabeth, is the secretary for the Maine chapter of this organization, which was formed as a response to the health effects of atmospheric nuclear weapons testing. He described the devastating worldwide consequences of the use of nuclear weapons. Since there is no way to adequately respond to such a catastrophe, the only “cure” is prevention. Fortunately there are groups working on the elimination of nuclear weapons including Red Cross/Red Crescent and the Rotarian Action Group for Peace.

Red Sox/Yankees Foundation Challenge – If you were one of those who signed on in the spring, the final difference between games won/lost for the Red Sox and the Yankees was 13 – this translates into a donation of \$65 if you committed to \$5/game or \$130 if you were in for \$10/game. You can mail/hand your checks to Sue or Nancy H.
