## What's New With Our Members

*Happy Birthday to Phil Dube (October 28)*

*Congratulations to Melissa Redman, who presumably was the lucky recipient of the beautiful floral arrangement donated by our speaker and won by Chuck.*

*Best wishes to the following who have resigned their membership for various reasons - Sharon Anderson, Jack Kennealy, Steve Klemm.*

*Congratulations to Bill York for receiving recognition from Rotary International for bringing 3 members into the club!*

*Thank you to our speaker Dan Kennedy for providing gift certificates to all the members present.*

**Soup Kitchen** – Thanks to the following who pitched in at the Soup Kitchen this week:

Kathy Cotter  
Joe Conroy  
Paul Butler  
Ray Healey  
Dick Yerxa  
Bill York  
David Lourie  
Rich Daniels  
Phil Dube  
Several Interact students

*Remember that it's up to each member to go online to get makeup credit – it's very easy – just go to our webpage and click on the aqua button on the right that says "Report Makeup."*

**Visioning** – More seasoned members of the club remember the Visioning experience that the club undertook a few years ago. A committee has formed (Kathy C, Nancy I, Elyse, John L, Tom M) to plan "Re-Visioning." The initial meeting was held on October 15 – the committee will keep us posted as plans progress.

**WinterFest** – Letters to businesses have gone out, so if you signed a letter, feel free to go ahead and approach them in person to gauge their interest. (*I think Scott will be sending a reminder of which businesses are assigned to whom.*)

**Say It With Flowers** – our speaker was Dan Kennedy, owner of the DLK Floral Group, which consists of Harmons Bartons, Sawyer & Company and Minott's Flowers, and is the largest florist

in Maine. Dan started out at the age of 14 deadheading flowers in a greenhouse in “the County.” He opened his first flower shop at 18 and opened a second store at age 21. In 1990 he moved to the big city (Portland) to work for Harmons Bartons, which he later purchased in 2007. The number of florists has decreased dramatically in this country due to the influence of the internet and the big box stores. Dan stressed that satisfaction is always guaranteed at his business, and that’s the difference between buying local and ordering flowers over the internet. In addition every floral arrangement his shops produce is custom-made; every bouquet is beautiful, no matter what the price.
