What's New With Our Members

Our sincere condolences to Bill and Diane Anderson on the passing of Diane's mother.

Best wishes to Edie Davidson for a speedy recovery following knee replacement surgery.

Congratulations to Mike McGovern for the great job he did in the World Polio Day livestream event (see link on club webpage).

I'm repeating myself but it's worth mentioning again: congratulations to Sybil for being one of "6 Who Care." In the film segment about her aired on TV, one of the Food Cupboard's clients said "without her I'd be eating ketchup sandwiches...God love her." (And we love her too!)

New Home Needed – Crutches for Africa will be losing their warehouse space in Saco – if anyone knows of potential warehouse space that the owner might be willing to donate, please contact President Kathy.

Sobering Reminder (But Don't Shoot the Messenger!) – Fewer than half of our members attended this week's meeting. Our secretary reminds us that when this happens the club ends up paying out of pocket to meet the Purpoodock Club minimum (even though the minimum has been lowered). This week cost the club \$72 – at some point we will have to pay the piper if this pattern continues. (Come to the meetings – they're fun!)

Happy Birthday, Dr. Salk! – we would have wished Jonas Salk a Happy 100th Birthday on October 28th had he still been alive. Dr. Salk was the inventor of the first polio vaccine; the vaccine was made up of a "killed virus" and was later replaced by Albert Sabin's "live virus" vaccine. Dr. Salk refused to patent the vaccine, telling a reporter "*There is no patent. Could you patent the sun?*" The memorial to Dr. Salk in his home of LaJolla, California bears his words: "*Hope lies in dreams, in imagination and in the courage of those who dare to make dreams into reality.*" Our club thanks the following Dine-Around hosts for their contributions toward making the dream of a polio-free world into a reality:

Barbara & Laurenz Schmidt
Shirley & Dan Mooers
Ellie & Chris Speh
Nancy & Scott Irving
Kathy Cotter

By all reports, all of our hosts really outdid themselves – they all could have held their own against Harvest on the Harbor which was happening the same weekend!

A big thank you also to those who attended the dinners and to those who couldn't attend but made donations anyway (including my mom!).
