Dear Scott,

Congratulations to you and your Club for having already exceeded your goal for Polio Plus giving. You set a goal of \$4,000 and according to my latest report from The Rotary Foundation your club and its members have contributed \$5,648 to Polio Plus, 141% of your goal. With the match from the Bill and Melinda Gates Foundation this means that \$16,944 will be going toward our work to eradicate Polio. I am so pleased and grateful and I hope you and all of your members are very proud of this accomplishment. Perhaps there are still some individual members who will make a donation and by the end of the year, your total will be even higher. Please be sure to share this good news with your membership. Congratulations again on a job very well done.

Sincerely yours,
