*Congratulations to Multiple Paul Harris Fellow recipient John LoBosco!*

**Bug Light Open House** – Please join us as a volunteer to show off Bug Light, and feature our Club's efforts to keep the Light on and in top notch repair. We have 3 slots of 1 ½ hours each where you can greet folks from all over the country and share with them a piece of history.

This is a great family outing, so bring other adults and kids to help out. This event is part of the City of South Portland's summer series and the Buy Local group of businesses. There will be many other activities going on at the same time in Bug Light Park.

Shifts are: 10 - 11:30, 11:30 - 1PM and 1PM - 2PM

Sign up on line, or contact Tony Wagner directly via phone or email.

**Center for Grieving Children** – Our speaker this week was Sandy Lovell, Tender Living Care and Outreach Coordinator at the Center. Sandy stressed that while the Center has peer support groups and does training, they do NOT provide therapy services. Their programs, which are all offered free of charge, include Bereavement, Tender Living Care (for families in the midst of dealing with serious disease) and a Multi-Cultural Program through Portland Public Schools for immigrant children. They also provide crisis support to schools in response to student or teacher deaths.
