What Has Happened Since the Last Time We Met??

- **District Selection of Vocational Training Team to Argentina** – a team of mental health professionals from around the district will be traveling to Argentina to share information on mental health prevention and treatment, especially with an emphasis on youth.
Congratulations to Sue LoBosco who was chosen as a team member!
- **Party at Verbena's on Thurs., Jan. 28** – this brand new event was planned as a kickoff to WinterFest and to thank all of our sponsors. The turnout was higher than anyone expected and was a great forum for socializing with our sponsors, the Chamber and Buy Local.
- **Street Party in Knightville on Friday, January 29** – Prior to the skating party at Mill Creek, several businesses in the area opened their doors with free refreshments. This year we offered “passports” which participants could have stamped at local businesses and then submit for a door prize. Participation was very encouraging considering it was a first-time event. The businesses were very enthusiastic about the event and look forward to doing it again next year.
- **WinterFest at Mill Creek Park and Wainwright Field on Jan 29-30** – Despite the lack of snow and slushy ice, everyone seemed to have a good time – especially the tykes sliding down the sliding hill that the city personnel had piled up ahead of time. Thank you to all the club members who participated, and especially to chair Kathy Cotter.

- **“Party With A Purpose” on Wed., Feb. 3** – the Portland Sunrise Rotary event at DiMillo’s to raise funds for Maine Children’s Cancer Program. I haven’t seen any figures about how much they raised but the attendance seemed to be as high as it’s ever been, if not higher. I’m guessing it was a big success financially, as well as a wonderful opportunity to mingle with other Rotarians.

SEE YOU ALL NEXT WEEK AT PURPOODOCK!
