What's New With Our Members

Happy Anniversary to Jack & Shari Roberts (April 3)

Get Well Wishes to Edie Davidson; this has really been a trying year for her - our thoughts are with you, Edie!

A Long Walk – We were visited this week by several members of Joan Frustaci's family – Janie, her dad, her son AJ, her niece Gretchen Carroll and Gretchen's boyfriend. Gretchen was

our speaker for the evening and she spoke about her experience hiking the Appalachian Trail. A native of Westbrook, Gretchen is a former Peace Corps volunteer to Micronesia. She wanted the AT experience to be more meaningful so she turned it into a fundraiser for Rippleffect, a local nonprofit that promotes outdoor education for young people. Gretchen loves music and couldn't resist bringing her little blue ukulele on the trip – hence her trail name Ukulady. Surprisingly Gretchen had never been backpacking before until she hiked the AT. She started out with 2 friends – one of them soon went on ahead, but Gretchen wanted to savor the experience so she and her friend took a full 6 months to complete the trail. Gretchen treated us to a slide show with beautiful pictures of the scenery along the trail.
