Dear South portland and cape Elizabeth
Rotary club,

Thank you for paying for
camp Ketchikan it was so much
really fun. My favorite part was the
slipping slide.

At camp Ketchikan I did
Harry Potter camp 10-14. On my
first day at Harry Potter we did
high rope's. High rope's are when
you climb a tree with peg's coming
out of the tree and walk on a
rope and hold in another rope
and when you want to come down
you fall and they would put you
down and unattach you with the
harness.

I met kids when we
went down to the pool/pond.
It was so fun. I hope other kids
go there.

Love

Lexi

Dear South Portland & Cape Elizabeth Rotary Club,

Thanks so much for letting me go to, and choose art camp. I loved sculpture camp. The thing I enjoyed most was making a "box" turtle! I am hilarious. Get it? I was made out of boxes! And a box turtle is a kind of turtle! Hahaha haba! My brain is amazing! I also made a rabbit hole as a house. The bunny was on a couch watching spongebob. Thank you sooooo much!

Sincerely,

Avery
