What's New With Our Members

Happy Birthday to

- 🍰 Alec Livingston - 12/15 (there was a typo in last week's bulletin - I put Mike Tranfaglia's name for the 12/15 birthday when actually it should have been Alec. Mike's birthday was on December 2; he does not have 2 birthdays!)
- 🍰 Jack Roberts - - January 16
- 🍰 (See last week's bulletin for additional December and January birthdays)

Happy Anniversary to

- 🌸 Alec & Sharon Livingston - January 7.
- 🌸 Laurenz & Barbara Schmidt - December 18 (I think - the anniversary is not in the club directory but we'll correct that!)

Congratulations to Mike Tranfaglia for winning the football pool (again) in a tie breaker with Adrienne & Tony. (Reminder - we do not meet again before the end of the regular season - be sure to submit your picks before each week's deadline to Chuck Redman.)

Congratulations to Bev Altenburg and her WinterFest sales team - we will come out very close to our sales goal of \$35,000!!!

Late Happy Dollar from me - I received a text this morning from Tori Russell - she and Annie are doing amazingly well and looking forward to spending Christmas with their family. Our thoughts are with Jim's daughters during this holiday season.

Girls on the Run! - President Bill Anderson and Bob Danielson and Tom Meyers from the Road Race Committee had the privilege of presenting Girls on the Run with their share of the 2016 road race proceeds. Receiving the check on behalf of GOTR were Program Director Staci Olson, Executive Director Emily Clark and Fundraising and Outreach Coordinator Debbie Megna. *Note that they rounded the amount on the "big check;" the paper check – the one that matters – was for \$2,175.*

Serving Soup – A huge thank you to the following who came through yet again at the Soup Kitchen this week:

- ✓ Bob Knupp
- ✓ Bill Daviero
- ✓ Tony Wagner
- ✓ Ray Healey
- ✓ Phil Dube
- ✓ Paul Butler
- ✓ Joe Conroy
- ✓ Jennifer Major (SPHS Interact Adviser) and SEVEN students from SPHS!

“America’s Craft Beer Capital” – Where is it? Right here! Portland has more breweries per capita than any other city in the US! This fact and many many more were presented to us by Sean Sullivan, Executive Director of the Maine Brewer’s Guild. The Guild’s mission is to promote and protect the craft beer industry. Craft beer is the fastest growing industry in the state, and a bigger industry than lobster based on sales revenues. Craft beer represents quality over quantity, and craft brewing is “manufacturing with a face.” In the US as a whole only about 15% of beer consumption is from craft brewers, but in Maine that figure is 25% - we believe in buying local! Another aspect of beer production that favors Maine is that our soil is suitable for growing the two main crops that go into beer production – hops and barley.

They’re Not Just for Front Doors! – Thank you to Dan McDonald and Bill York for hanging wreaths on “our” lighthouse!

HAPPY HOLIDAYS!!!
