April 25 – tree seedlings arrive – see below.

May 4-6 – District Conference, Mount Washington Hotel

June 23-27 – Rotary International Convention, Toronto

What's New With Our Members

Happy Anniversary to Jack & Shari Roberts (April 3)

Get Well Wishes to Ray Healey as he recovers from hand surgery.

THIS WEEK WE HAD A CLUB ASSEMBLY, SO THAT MEANS
THIS WEEK'S BULLETIN IS A **HODGEPODGE!**

Got Meds? If you have any extra medications – over the counter or prescription – Dan McDonald's daughter Julia is going to Honduras in May on a medical mission and will take any donations. You can bring them to the meetings up until April 18 to give to Dan.

Plant A Tree – RI President Ian Riseley has challenged every Rotarian to plant a tree this year. To make it more convenient, our district has ordered seedlings for every Rotarian in the district. Catherine will pick up our club's share in Freeport in late April and let us know when and where we'll be planting them.

Where the Wild Things Are – As noted above, on April 11 our meeting will be at the Rachel Walls Gallery in Fort Williams. Rachel became a friend of Dahlov Ipcar's and was named curator of her collection in her will. We are in for a double treat – enjoying the works of Dahlov Ipcar while we munch on lobster rolls from Bite Into Maine (or something else delicious if you don't eat seafood).

Blow Our Own Horn – Sarah Higgins made an excellent video about WinterFest and is willing to do the same for other service projects – if you're coordinating an event, be sure to keep her in the loop so she can make us famous!

Christmas In July – well maybe not July, but sometime this summer Tree Sale Chair David Lourie would like to have a work party to do repairs & maintenance on the tree racks, signs, etc. Ideally to be followed by a BBQ. Stay tuned.

Lobster in July – The lobsterbake will be on July 18 – put it on your calendar!

Bug Light Clean-Up – Bill York has volunteered to chair a clean-up at Bug Light on Monday, April 30. We will be assisted by students from Waynflete.

Another Walk Down Memory Lane – You'll have to indulge me while I bring up the past again. In the bad old days the District Governor's club was expected to plan the District Conference as well as other events and also shoulder a lot of expenses that are now borne by the District. Since this wasn't "fair to all concerned" since small clubs really couldn't afford to have a DG in their club, the procedures were changed about 15 years ago (or so – don't hold me to the

date). So even though our club is no longer actually responsible for many of the official duties that a District Governor's club had 20 years ago, we still want to show the district that we are behind incoming Governor John LoBosco and proud to have him as a member of our club. One way we can show our support is to attend the District Assembly on April 7, which marks the first event in our district of John's year. The District Assembly is meant to be a training for everyone who will be a club officer next year, but it is so much more, as you can see from the agenda that Tony sent out. There is something for everyone as well as a chance to re-connect and/or meet new friends from our neighboring clubs. As Tony's email indicated, our club will pay the registration fee, which covers breakfast and lunch.
