What's New With Our Members

Happy Birthday to Sarah Higgins (July 12)

Many thanks to Jack Roberts for building a beautiful set of cornhole boards that he raffled off to benefit PolioPlus at RotaryFest - total donated to PP = \$555 - thank you, Jack!!!!

Congratulations to Assistant Governor Tony Wagner on being named District 7780 "Rotarian of the Year," along with Chief Bob MacKenzie.

Congratulations to District Governor John LoBosco and Assistant Governors Tony Wagner and Bill Anderson on a very successful Rotary year!

Welcome to our guests who joined us for Changeover Night:

- ★ Incoming First Lady Joyce Lourie*
- ★ Sue LoBosco*
- ★ Jan Butler*
- ★ Claudette Dube*
- ★ Becky McAleney*
- ★ Marc Mutty (not technically a guest but it was great to see him!)*

Thank you to Ellie Speh for donating all the beautiful flowers decorating the tables at Changeover Night!

Congratulations and thank you to the almost 30 members of SP-CE Rotary who volunteered to work at RotaryFest! You made it a huge success!

Thank you Nancy & Scott Irving – I mentioned above that MANY people helped with RotaryFest but two deserve to be singled out. Nancy Irving was in charge of feeding everyone both days, which was a monumental job, but she pulled it off with ease. Likewise her husband Scott, along with Chuck, Tom and Tony, were responsible for the grounds (set-up, take-down, etc.) As if that weren't reason enough to thank them, Scott has been our webmaster for many years (as well as being webmaster for the district). Anyone who has had to organize an online sign-up or had any other issues involving ClubRunner is well aware of how incredibly knowledgeable and PATIENT Scott is. Scott is going on hiatus (hopefully he will rejoin us soon!!!) and will be "replaced" (not actually possible) by Jim Britt in our club (thank you, Jim!!) and Christine Johnson at the district level. Thanks so much for all you have done for our club over the years, Scott!

And Speaking of the Irvings – Scott surprised his wife by transferring enough of his own PHF points to get her to the next Paul Harris Fellow level (PHF+2). Thank you to both of the Irvings for their ongoing support of The Rotary Foundation!

Free the Rosebushes! – Catherine and Audrey Callahan, Bev Altenburg and I spent an hour or so Tuesday morning liberating the rosebushes and other plants at our Bug Light Garden from a mountain of weeds. It's not perfect yet but a vast improvement. The garden could use some regular maintenance during the summer so Catherine has scheduled short work projects for every other Tuesday at 8 a.m. this summer (see schedule above). If you can't make it at that time, feel free to go down whenever you're available and pull a weed or two. Note that the Picnic Shelter garden at Ft. Williams also needs some work so feel free to pull some weeds there next time you're in the area.
