**Doing It for Alex Cora** – I believe you all received a couple emails for Sheila Rollins, a Past District Governor and District 7780 Rotaract coordinator, about a group of Rotaract students who will be going to Puerto Rico in January to help people who are still suffering from the impact of Hurricane Maria. What better way to celebrate the Red Sox brilliant manager who led them to the World Series than to support humanitarian projects in his homeland of Puerto Rico. Here is the hyperlink to the GoFundMe page if you would like to donate:

**<https://www.gofundme.com/rotaract-puerto-rico-recover/donate>**

The Bridgton Lakes-Region Rotary Charitable Fund has been designated to receive the funds from GoFundMe so this is a tax-deductible donation and you will receive a receipt to that effect.
