

Donations for Acceptance by the Board

May 5, 2021

Greetings Superintendent Kunin and Members of the School Board,

We respectfully request the board to accept the following donations from the South Portland Cape Elizabeth Rotary:

\$500 worth of Hannaford Gift Cards to be shared with families experiencing food insecurity.

We are grateful for our ongoing support from the Rotary, and their concern for some of our families experiencing difficulties, especially this year.

Respectfully,
Gretchen McCloy

Director of Community Partnerships
