HAPPY ANNIVERSARY SP-CE ROTARY!!

Our meeting this week was a once-in-ten-years event as we celebrated the club's 60th anniversary. A highlight of the evening was recognition of the fact that we have a charter member who joined Rotary 60 years ago. To honor him, the club elevated his and Priscilla's PHF levels to PHF+3 for Dick and PHF+1 for Priscilla. Dick's children and their spouses joined us as our guests and Dick acknowledged the importance of family support in being a Rotarian for so many years. Joining in the presentation were Past Rotary Foundation Trustees Mike McGovern and Brenda Cressey, District Governor Dick Hall and District Foundation Chair Dave Underhill.

President Dave also reminded the club that we all know Dick best as our chainsaw instructor.

We also recognized two members who have been in the club over 50 years – Dan Mooers and Phil Dube – congratulations!!

The evening also featured reminiscences from past presidents and upcoming plans from future presidents, both live and on video. And remember, if you haven't done so please go ahead and record your own thoughts about the club for our "60 for 60" project. It can be an amusing anecdote, a memory of your favorite Rotary activity, why you joined the club, your hopes for our club's future – WHATEVER! Contact John LoBosco with any questions about doing this.

THANK YOU – the evening didn't just happen by itself. Thank you to the Anniversary Committee members:

- Mike Tranfaglia
- Phil Dube
- Tom Meyers
- John LoBosco
- Dave Bagdasarian
- Nancy Irving
- Bev Altenburg

- Mike McGovern
- Nancy Hawes

And last but the opposite of least – if you were there, you saw that the program included a slide show during dinner, and the main program was interspersed at various points with video clips and photos. That all happened due to the master powerpoint that Scott Irving spent hours and hours putting together for us so that the MC could easily click through from one thing to the next – not even realizing that he wouldn't be able to be there in person. THANK YOU SCOTT FOR MAKING THE EVENING A BIG SUCCESS!
