

Colombia Project Fair

International Experience Opportunity
Colombia Project Fair (Districts 4271 and 4281)
Barranquilla, Colombia

February 3-5, 2023

Please join me as I attend next year's Colombian Project Fair – with the intention of meeting our friends in Colombia and learning about opportunities our club can assist with!!

This is a unique opportunity to attend the 8th annual project fair sponsored by the clubs in two districts in the beautiful country of Colombia.

The project fair will allow you to meet Rotarians from all over the country as they come together to present project opportunities their areas. We will be joined by Rotarians from other parts of the world and have a chance to establish relationships that could lead to lasting friendships and close future collaboration opportunities.

Perhaps more importantly, we will be able to get a taste of Barranquilla, its culture, and its people in a way few tourists are able to experience.

The Plan

Tuesday January 31 – travel to Barranquilla.

Wednesday February 1 – Relax, enjoy some sites of the city, do some shopping and enjoy some Colombian food. We will plan an evening event for the group once the number of travelers has been determined!

Thursday - Saturday, February 2, 3 & 4 – The Project Fair will be in full swing. There will be activities associated with the Fair that will be available for our enjoyment. Here again, details are not yet available, but I assure you - Colombians know how to entertain!

Sunday February 5 – TBA

Monday February 6 – TBA.

Tuesday February 7 - We will depart home
