Dear members of the Portland Rotary

On behalf of the members of the Maine Veterans in Need and the many veterans we support, I thank you for your most generous donation of \$700.00. MVN is an all volunteer 501(C)3 tax except organization (EIN: 85-1933651). MVN has a very low overhead so your donation directly supports veterans who are experiencing difficult times. MVN counts on donors like you because we do not accept funding from Government sources so that we can respond quickly, 24/7, with the requirements that always comes with Government grants. We are the only organization in Maine that provide 24/7/365 support.

For more information about MVN, you can go to our website www.maineveteransinneed.us.

Once again, thank you for your support!

Sincerely,

David Patch
President
