

Dear Tony and the Members of the Rotary
Club of South Portland and Cape Elizabeth.

I wanted to reach out to thank you
for your recent and generous donation of \$3,500
to VOA and our Veteran Housing programs - Huot House
and the Veterans Career House! Your gifts offer
a safe and welcoming home to U.S. Service Members-
both men and women - who have experienced
homelessness. VOA has offered high quality housing
and social supports to end Veteran homelessness.
However, we could not reach our mission without
your friendship and support. Thank you for
your steadfast gifts to sustain our services.

I live in Portland and would be honored
to attend and speak during one of your
meetings. I hope you will reach out if I
can ever be of service to you. Please reach
out if you have any questions or suggestions
for how VOA can meet community needs. On
behalf of our Board, Staff, and Veteran
residents we remain grateful for all your
gifts and prayers. I hope you have a happy
and healthy end to 2025!

Peace - Rich Hooks Wayman

We serve the people of Maine and New Hampshire with the promise to reach out and uplift the human condition and provide opportunity for individual and community involvement.

Volunteers of America supports America's most vulnerable groups, including at-risk youth, the growing population of older adults, people exiting the correctional system, households experiencing homelessness, people with disabilities, and those recovering from substance use disorder.

However we cannot do it alone. The people of Maine and New Hampshire need the help of their communities to succeed. **Together**, we can continue to make a lasting contribution to the quality of life in Northern New England. **Your gifts make a lasting contribution to the quality of life in Northern New England!**
