Dear Peter,

As you read this, Rotary Club of South Portland Cape Elizabeth's generous donation of \$5,000 on June 21, 2025, for South Portland summer programs, is already creating great futures for the young people of Southern Maine. Thank you!

Your support of the Boys and Girls Clubs of Southern Maine is an investment in the future of our community. Your belief in our mission is the driving force that enables us to provide essential services and programs that empower young minds to reach their full potential.

Thanks to donors, like you, we are able to reach 1,500 youth across Southern Maine by bringing them to one of our Clubs in Portland, South Portland, Auburn, and Lewiston. Our members have access to daily academic programming and support, a healthy meal, art classes, leadership programs, and critical emotional and behavioral support all in a safe place with caring mentors.

We know from our members that the opportunities we provide make a difference in their lives. Last year, 94% of our members were on track for their grade level and 92% were expecting to graduate on time. Additionally, 80% of our active members report that they believe they can make a positive difference in our community.

Thank you for your generous support. We are honored that you share our commitment to creating a positive impact on the lives of the young people we serve.

With gratitude,

Brian C. Elowe  
Chief Executive Officer

Maggie Hendricks  
Director of Advancement
