

Dear Generous Donor,

DATE: 6 / 3 /26

Thank you so much for your tremendous generosity and contribution to my education.

I am honored to receive the **Rotary Club South Portland & Cape Elizabeth Vocational Scholarship**. I greatly appreciate your support, and these funds will provide me relief this semester as I continue my studies at SMCC. As a single mom working full-time, I have returned to school to pursue a lifelong dream of earning my degree. While balancing work, family, and education is challenging, I am committed to achieving this goal and setting a positive example for my children. I am pursuing my degree in **Business Administration**

It is especially challenging, but this scholarship has given me hope, and I will continue to work hard and persevere.

Thank you very much for your kindness and generosity!

With Gratitude and Appreciation,

Sincerely,

Katie M.

SMCC Student

Business Administration

Dear Rotary Club South Portland & Cape Elizabeth Vocational Scholarship Committee,

Thank you so much for your generosity and for investing in my education. I am truly honored to receive the **Rotary Club South Portland & Cape Elizabeth Vocational Scholarship**.

As an international student at Southern Maine Community College pursuing a degree in Business Administration – Sports Management, paying for college while building a future in the United States has not always been easy. Receiving this scholarship eases some of the financial pressure and allows me to stay focused on my education and my goals.

This scholarship means much more than financial support. It reminds me that there are people in the community who believe in students like me and want to help us succeed. Your generosity motivates me to continue working hard, both in the classroom and beyond, so I can make the most of this opportunity.

Thank you again for your kindness, generosity, and confidence in my potential. I sincerely appreciate your investment in my education and will continue working hard to make the most of this opportunity.

With gratitude,

Emil J.
