Dear Dr. Tarraza:

Thank you for taking the time to lead a tour of Maine Medical Center for our guests from India, Dr. Noel Britto and his wife, microbiologist Rupal Britto, as well as team leader Uhlhas Marathe and his wife Veena.

Our Rotary International president highlighted as his theme this year Rotary's efforts to "Build Communities and Bridge Continents." We appreciate all you do to build community, both locally and internationally, and we appreciate your help "Bridging Continents" on May 5, 2011.

We thank you and Maine Medical Center for your efforts to promote world understanding.

With best regards and in grateful appreciation,

Sincerely,
