

Rotary's 4-Way Test:

Is it the truth?

Is it fair to all concerned?

Will it build good will and better friendships?

Will it be beneficial to all concerned?

Club Fundraising Ideas Breakout:

11:45am – 12:40pm, room C223

The opportunity for us to discuss and share fundraising experiences, and possibilities, between clubs at our annual transitional gathering.

2010-2011

April 9, 2011

Dear Members of Rotary District 7780:

Congratulations! By listing the various fundraisers that were held throughout our District in the 2010-2011 Rotary year, this pamphlet started out as a fundraising reference guide for clubs to use to generate new ideas to raise money in the coming 2011-2012 year. What it became, elegantly, is a tribute to the hard work of Rotary in our District, and its presence in our communities, in this year passed.

It is well documented that Rotarians get their hands “dirty!” This is evidenced by our physical participation in events such as Read Across America, the United Way’s Days of Caring, and Rotary’s PolioPlus Immunization Days. Through fundraising, we can effectively extend our hands to an even greater area by giving donations to other organizations. In places such as the Seacoast Hospice, Big Brothers/Big Sisters, or Japan’s Earthquake Relief, we may not have the expertise, the manpower, or the time to physically participate in those areas of need; but our financial assistance acknowledges, gratefully, our willingness to be anywhere, in person or not, that there is hardship in need of relief.

This pamphlet was assembled in short order, so there may be a few errors in translation, but don’t fret, it is simply a guide intended to stimulate thought. Please look it over to generate ideas for your club’s fundraising endeavors in the 2011-2012 Rotary year. If you have any questions, the names and some contact information of the current Presidents and the incoming Presidents have been included so that you can easily progress to get them answered. It is DGE Gary’s hope that it will also foster a free-flowing avenue of communication between the clubs, as a step toward increasing District 7780’s sphere of benevolent influence, locally and globally, in this coming Rotary year.
