## **South Portland Mill Creek HolidayFest 2010**

A perfect winter night in early December was brightened with singing voices, the clopping of horses' hooves and sleigh bells, the smell of popcorn, grilled hot dogs and hot cocoa, as the trees all came alive with (energy efficient!) colored lights. The annual Mill Creek HolidayFest tree lighting again drew hundreds of local residents to the heart of South Portland to celebrate the start of the holiday season.

As in years past, the event is a wonderful collaboration of city and local businesses and organizations. The special partnership that has endured over the years to bring this magical evening to life is unique indeed. We would like to thank all those involved, whose generous donations of time, talent, and resources create an incomparable community tradition. A very special thank you is due to the chorus students of Mahoney and Memorial Middle Schools, South Portland High School, and their teachers; and Jennifer Rooks of Maine Public Broadcasting Network, as the honorary "voices" of the celebration!

On behalf of the South Portland/Cape Elizabeth Community Chamber and the Waterfront Market Association, we thank:
