Dear Ms. Barker,

On behalf of all the students of our school, I would like to thank you and the SPCE Rotary Charitable Fund for your generous donation to the Vicke Russell Memorial Fund at Pond Cove School's Library Media Center. It will please you to know we have received dozens of donations like yours. What a lovely outpouring of sympathy and compassion for Vicke's family.

Vicke was a warm-hearted, dedicated member of the Pond Cove Elementary School community, and her loss saddens us all. We know that the Russell family is comforted by your expression of kindness. We have sent a letter informing Jim, Tori, and Annie of your gesture, and all books purchased with the fund will have a special book plate affixed to them.

The books we will purchase with your donation will bring smiles to many children for years to come. We believe nothing would please Vicke more.

With appreciation,

Cameron Rosenblum
