**Ms. Joanne Brown, President
Rotary Club of Beaumont
MCM Elegante Hotel & Conference Center
2355 IH 10 South
Beaumont, TX 77705**

Dear President Brown,

I wanted to send a letter of deep appreciation to all of the membership of the Rotary Club of Beaumont, TX for volunteering you time at the recently completed NBBA World Series of Beep Baseball for those who are blind and sight challenged. As a member of the Lions in the Cleveland, OH area and a beep baseball lifer I had the pleasure to meet Michelle and other Rotarians on Wednesday 7/27 while preparing to volunteer for the games. Michelle advised me of the wonderful response of the club's membership in coming out to help make the World Series a success.

Its beyond the proper words how much the athletes, their family and friends benefit from participation in this amazing sport. Your commitment to volunteerism and community service is inspirational and without volunteers and service organizations such as the Rotary we could not play the game we love.

All involved in the Beaumont community did a great job and we are forever thankful. Thank you to all for helping our NBBA membership add some more great memories at this very well run Beep Baseball Competition.

Sincerely yours,

Kevin T. Barrett
