BILLY TUBBS, LAMAR UNIVERSITY

Billy Tubbs, who spent 18 years as a player, assistant coach, head coach and faculty member at Lamar University, returned to his alma mater May 27, 2002 as Athletic Director.

3 conference tournament championships and 18 20-win seasons. For his efforts, he was named Conference Coach of the Year 8 times and National Coach of the Year twice.

Tubbs gained national attention during his four-year coaching stint at Lamar (1976-80) with his up-tempo style of play. He guided the Cardinals to a 75-46 (.620) record and the school's first two NCAA Tournament appearances. Lamar posted a 23-9 record in 1978-79, won the Southland Conference championship, and advanced to the NCAA Tournament where they upset Detroit in the first round before losing to eventual national champion Michigan State in the second round.

A legendary coach with a reputation for rebuilding programs, Tubbs made a name for himself by taking Lamar to its first-ever NCAA Tournament in 1979 and leading the Cardinals to the "Sweet 16" in 1980.

Tubbs began his administrative career after a highly successful head coaching career that spanned 28 years with a career record of 595-297 (.667). He led his teams to 12 NCAA Tournament appearances, 6 NIT appearances, 8 conference championships,

**REVIEW FOR
NOVEMBER 14th**

Our presentation this week came to us from the governor of our Rotary District 5910, Governor **Chuck Mason**, who happens to be one of our own. Gov. Mason and his wife **Becky** are both members of the Beaumont Rotary Club, and were happy to join us for our weekly meeting.

Gov. Chuck shared with us many of his experiences in Rotary over the years, and explained to us why he enjoys his involvement in Rotary and why he believes we should embrace this year's theme, "Share Rotary." His past experiences have led him to realize that Rotarians are leaders in their communities, as well as throughout the world.

When Gov. Chuck joined Rotary he only knew one person in the club. And although he felt awkward in the group, he decided to participate in some volunteer work projects. Through these projects he met other Rotarians and developed friendships based on trust and respect. As he continued to be involved in Rotary and other work projects he learned that Rotarians can be called upon and counted on to address any challenge they are faced with. Examples of the successes Rotary has enjoyed locally and around the world included the near eradication of polio worldwide and our local district's project that provided over \$2.5 million of books to schools in South Africa. He is confident these successes are possible because of the commitment, dependability, and trustworthiness of Rotarians all around the globe.

Gov. Chuck concluded his presentation by sharing his belief that the strength of Rotary comes from the leadership and attitude of its members, and by challenging each of us to consider what we can do to change our community and the world for the better as we "Share Rotary."

Thank you President Angela for providing this week's program and for introducing Governor Chuck.
