Spring has arrived! And thoughts turn to outdoor fun, sun, and planting a spring garden that will turn into a harvest of fresh vegetables, herbs, and everything delicious!

Elaine Shellenberger will begin the presentation with an update on the Grow to Share Garden at Nutrition and Services for Seniors that Rotarians helped to construct.

Master Gardeners "Tony & Toni" will share great gardening information and teach us how to duplicate a similar producing garden for ourselves and to share with family and friends.

Roll up your sleeves and come learn some good information that you can grow into your own garden!

### **Rotary After Hours: A Lovely Evening on the Neches!**

After a bit of a cloudy start to the day, Thursday, March 24 turned out to be a wonderful evening for a cruise on the Neches River. A large group of Rotarians and friends gathered at the dock, boarded the Ivory Bill, and enjoyed the magnificent scenery, delicious snacks, and great fellowship for the two-hour tour of the beautiful Neches River.

Thanks go to Rob Glassey for arranging and promoting this event and to Becky Mason for providing the delicious food.

## **PROGRAM REVIEW**

**March 23, 2016**

### **"Rotary Goes to School!"**

There is no way to put a value on the day that we call "Rotary Goes to School."

The students enjoy receiving a book of their very own to keep in their own personal collection for years to come. More than that, they are recipients of some very special time with a Rotarian or a representative of the Club, who spends a small amount of personal time reading, laughing, interacting, and encouraging these youngsters.

It is a moment in time for both that is, as they say, priceless.

Enjoy photos of the event here (and return as more photos are uploaded in the coming week):
