Please let Pat Anderson or Gary Moncla know if you will be available for this important service project. If you own or have access to a truck, we need your commitment too! The more trucks we have available, the more routes we can plan which makes the delivery time shorter for everyone. That is very helpful to those who have to get to work that morning.

Did You Earn Perfect Attendance?

It is always a very special day when we have the opportunity to recognize club members for contributions to the successes of the year. President Pat will be presenting awards and recognition on June 22. He will also recognize those who have earned Perfect Attendance for the year either through meeting attendance, and eClub makeup, serving on and attending committee meetings, or attending a makeup event. **Did you submit a makeup for every meeting you missed?**

As we assure that no one is omitted in the recognition process, please help us by reflecting on the year (July 2015-June 2016). If you deserve recognition, please call the Rotary office or send an email (admin@beaumontrotaryclub.org) saying you earned and deserve Perfect Attendance recognition. (Reminder: you must have been a member of the club for one full year to be eligible for this recognition.)

DUES INVOICES TO BE SENT TODAY!

TO PAY DUES:

**TO DONATE TO
BEAUMONT ROTARY
FOUNDATION**

Invoices for July-December 2016 dues will be sent today and payment is due by July 1.

There is a link built into the emailed invoice so you need only click on the link in order to be automatically directed to your personal payment page. Please check your email inbox; if you are not seeing it, please check your "spam" folder. Call the Rotary office if you need another copy emailed to you.

Printed copies will be mailed to those who requested that form of invoicing; call the Rotary Office at 409-842-1913 now if you do not have that directive in place. Those with credit cards on file should note that your dues will be charged on June 30.

If you would like to process your payment right away, please click on the image above and you will be automatically directed to the secure payment page. And if you would like to mail your check, please send to:

Rotary Club of Beaumont
MCM Elegante, Suite 213
2355 Interstate 10 South
Beaumont, TX 77705

If you need a printed copy of your invoice emailed or mailed to you, or a copy forwarded to another person/office, please phone the Rotary office at 409-842-1913.

On July 1 Rotary International automatically charges the club for dues for all members on the rolls as of that date. If you are anticipating a change in your membership status, please call the Rotary office (409-842-1913) to advise us of the change immediately so we will not be charged for them

Your prompt payment of dues saves the office staff a tremendous amount of time collecting delinquent payments. Thank you!

INVOICES INCLUDE VOLUNTARY DONATION

On the current invoices, you will notice a difference in the total from previous invoices. Dues have not increased, but the addition of an amount of \$50 has been added.

The Beaumont Rotary Foundation Board of Trustees asked that this nominal \$50 be added to the invoices as a reminder that a voluntary tax-deductible donation to the Beaumont Rotary Foundation for "Service Above Self" is requested. Members are asked to please consider the voluntary donation to help support the service projects.

Since dues billings have become an electronic tool, the amount of Service Above Self donations has dropped significantly. We attribute that to Rotarians not understanding HOW to add dollars into the payment system. If you wish to donate more or less, simply pay online the amount you would like.

The voluntary amount of \$50 semi-annually/\$100 annually is only \$8.33 per month. That is less than you would pay for one lunch at your favorite fast-food restaurant! ***Yet, that gift helps to fund the many projects of the club in our community.*** Simply submit the donation along with your dues payment and we will transfer that amount to the Beaumont Rotary Foundation, a 501(c)(3) organization for tax-deductible gifts. Of course, if you are accustomed to making a larger donation and/or including The Rotary Foundation as a beneficiary of your generosity also, we hope you will continue doing so. It is most necessary for us to continue the work in our community and around the world.

CAN YOU HELP WITH A LOAN?

For a show-stopping good time with President Pat's Swan Song, the Director needs to borrow a keyboard. If you have one to loan for the day (and a rehearsal or two beforehand), please phone the Rotary Office at 842-1913 and let us know. It would be even better if you want to play too!

We send wishes for a quick recovery to our friends and fellow Rotarians who have been ill, had or are facing surgery, or just need our thoughts and prayers. We hope you are better soon!

PROGRAM REVIEW**June 1, 2016****"The Role of the ISTC in Industry"**

Chris Lamson
President & CEO

International Safety Training Council

by Bobbie Applegate

The International Safety Training Council (ISTC) was formed in 1991 as a collaboration of plant managers and contract worker construction companies in order to improve the training and safety of the workforce. The 501(c)(3) opened formally in 1991 in order to certify safety training for plant contractors. Presently there are 18 members on the Board of Directors: 9 each from contractors and plant personnel.

Growth of ISTC occurred:

- 1995 with the purchase of 2 buildings with more seating and computer based training,
- 2000 a Baytown facility was opened,
- 2004 ISTC took over the fire school in Beaumont
- 2013 additional tests and space for seating
- 2016 new 76,000 square foot training center that seats 760
- Average number of students per day is 450
- Average number of tests taken per student is 3.1.

ISTC certifies contract workers for contractors. They certify workers with customized training courses on safety compliance in the plants. Each plant requests specific tests (which are now nationalized and available to certification in other areas of the country). Background checks are also completed.

The Mission of ISTC is to promote a safe and secure environment.

The Vision of ISTC is to be the preferred site for training specifications with a look to broadening that outreach into other related areas.

The Value presented by ISTC is to make a total commitment to "Quality, Teamwork and Customer Service."

It seems that the proper leadership is in place for the mission, vision and values to go forward into the future.
