## Operations Support & Energy Department Head ExxonMobil Beaumont Refinery

As the Operations Support Department Head at ExxonMobil's Beaumont, Texas Refinery, Jason Pettrey leads the team that provides engineering support to the operating units inside the facility.

Jason received his degree in Chemical Engineering from Virginia Tech in 2002, after completing several co-op terms in Refining, Polymers, and Chemical manufacturing at ExxonMobil's Gulf Coast facilities. He began a full-time career with ExxonMobil in Baytown, Texas working a series of assignments as a Process Engineer and then as a Coordinator in the Baytown Complex and a Technical Section supervisor, followed by a Process Section supervisor role to manage the Baytown Refinery's Crude Distillation & Delayed Coking units.

Jason relocated to the Fairfax, Virginia campus in 2010 for a series of assignments and is now assigned to the Beaumont refinery.

July 14	Board of Directors and Officer Workshop, 11:15 - 1:30, Port of Beaumont
July 18	Workday at "Grow to Share" Garden at Nutrition and Services for Seniors. 8:00 a.m.
July 21	Board Meeting with District Governor Doris Lockett; 5:30 p.m.

## Garden Project

### July 11 to be Work Day for Garden!

You've heard about it...  
You've anticipated it...  
You've waited patiently...  
and we THINK it's going to happen!

**Saturday, July 11 will be the day we plan to start work! Be there if you can.**

The Club will be providing expertise and a labor force to help Nutrition and Services for Seniors as they build a garden to plant, grow and provide fresh produce for seniors and the homebound who receive meal delivery. Such a great project and we are excited to have the opportunity to assist with this effort as our quarterly undertaking!

This week will be hauling fence posts to the holes, mixing concrete, and leveling posts. If you have one, bring an old wheelbarrow, shovel, and a level. On the 18th, the actual

fence pickets, runners and hardware will go in.

The location is 4590 Concord Rd, across Concord from the Village Shopping Center.

Plan to bring WATER, work gloves, a hat, sunscreen, and a power screwdriver if you have one.

### Show Your Colors Flag Project

### **"Show Your Colors" on Veterans Day**

Thank you to the volunteers who helped with the flag project on Independence Day! Our great volunteers took to the streets and got the job done with compliments from those who appreciate the efforts!

We are inching closer and closer to 500 flags! Spread the word and let's hit that target!

Dues Invoices Due

**THANK YOU FOR PROMPT PAYMENTS!**

**Invoices for July - December 2015 dues have been sent electronically or mailed per requests. So many prompt payments have been received! Thank you! Please keep them coming so we have NO second billings this time!**

You are asked to please consider a donation to the Beaumont Rotary Foundation for "Service Above Self" at the same time. Your generous donation helps to fund the many projects of the club in our community. Simply add the extra donation (tax-deductible) to the total you pay for dues.

If you would like to process your payment right away, please click on the image above and you will be automatically directed to the secure payment page. And if you would like to mail your check, please send to:

Rotary Club of Beaumont  
MCM Elegante, Suite 213  
2355 Interstate 10 South  
Beaumont, TX 77705

**If you need a printed copy of your invoice emailed or mailed to you, or a copy forwarded to another person/office, please phone the Rotary office.**

[Family of Rotary](#)

**Celebrating with fellow  
Rotarians**

Past President James Broussard and his wife, Barbara, celebrated their 60th wedding anniversary!

## **Mr. and Mrs. James Broussard 60th Anniversary**

Barbara Gregory and James Blue Broussard were married on July 3rd, 1955 in St. James Catholic Church in Port Arthur, Texas. They are the parents of four children and have ten grandchildren. Their anniversary was celebrated with trips to Sicily and Las Vegas and a family gathering at the Broussard farm.

We send wishes for a quick recovery to our friends and fellow Rotarians who have been ill or had a recent surgery. We hope you are better soon!

Chuck Kalkbrenner

Connie Szuch

Program Review

**PROGRAM REVIEW**

**July 1, 2015**

## **"Installation of 2015-16 Board of Directors and President Pat Anderson"**

Roger McCabe installed the Rotary President, Officers and Board of Directors during the meeting today.

The following officers and directors were installed:

Vice President	Craig Lively
Secretary	Ryan Smith
Treasurer	Steve Lucas
Sergeant-at-arms	Michael Perez
President-elect	Ted Moor III
Presidential Advisor	Angela Baker
Directors:	Barry Bryant
	Lynn Castle
	Craig Escamilla
	Brenda Gray
	Leonard Juncker
	Sharon McCabe
	John Neely
	John Paschall

Roger then installed Pat Anderson as President. Pat has instituted a new “tradition” of Past Presidents passing the gavel on to the new President. Pat wants the club to understand the strong continuity of the club through its Past Presidents and the Board of Directors members serving three year terms.

Pat then addressed the club with his plan for a successful Rotary year and beyond. “Be a Gift to the World” is Rotary’s motto for the year 2015-2016. To Pat, this is the perfect statement as he encourages members to use their own individual talents (gifts) to make the year a success. His overall goals are clear: fellowship, interaction, growing business and growing memberships. He is looking at new projects to enable club members to expand their interests and level of engagement. He wants to make sure that members are aware that he is adding the 5<sup>th</sup> question to the Four-Way Test: IS IT FUN?

President Pat is very humble about the trust that the club has placed in him and he wants members to know that their support is appreciated. Pat closed his installation program with a Rotary video from District Conference with images presented of projects in the District and “Let There Be Peace on Earth” sung during the presentation. It was a strong statement for taking our gifts and using them.
