MINNETONKA — The Minnetonka Rotary said their Links & Libations event held Sept. 14 at the Glen Lake Golf Course raised \$31,607 for the Rotary Foundation to distribute to the communities of Hopkins and Minnetonka.

“The team we put together was extremely dedicated,” said Minnetonka Rotary Fundraising Chair Chris Carr. “We sold more raffle tickets, more sponsors participated and more silent auction items were provided, which shows the community was behind us helping us to raise these funds.”
