### CAMILLE CASTEEL SUN LAKES ROTARY ROTARIAN OF THE MONTH

The Rotary Club of Sun Lakes is proud to name Camille Casteel as our May 2021 Rotarian of the Month. Our Rotary Club is honored to enjoy a strong, resilient relationship with Camille Casteel and the Chandler Unified School District (“CUSD”). Our Club prides itself on our association and commitment to education and the Chandler Unified School District personifies this excel-

lence. Camille joined the CUSD in 1971 and taught first grade at both Erie and Knox elementary schools. She became the district’s first female principal in 1983, at Weinberg Elementary School. In 1986, she joined the district’s administrative team as the assistant superintendent. She was promoted to associate superintendent in 1991 and five years later, in 1996, she was selected as the district’s first-ever female superintendent. Today the CUSD serves over 44,000 students and has 47 schools. She has been deeply honored to have served as CUSD’s superintendent leader during the 25-year period of hyper growth and to have had the opportunity to champion the development of numerous educational choices for the served families. Camille Casteel has given of herself with significant contributions to the school system, the community and to Rotary. Camille Casteel has announced that she plans to retire at the end of this school year and we wish her a well-deserved happy and healthy retirement.

*“Whatever Rotary may mean to us, to the world it will be known by the results it achieves.”*
