# FUND RAISING

## Put on your marketing hat

**Note** this is not a policy but a practice:

CR, typically funds about 30% of project value when we are the International Sponsor

When we are a financial contributor – it's flexible and it depends

Sometimes quid pro quo

### Make an attractive brochure

- Spell out the need clearly
- Tug at heart strings – Pictures of children are great
- Be shameless!!

### Make presentations

#### Leverage District Resources

### Spread the net far and wide

Start with the usual suspects

Recruit members in CR who have connections

### How do you find potential donors?

Connections, Connections

### Think outside the box

Non-Rotarians

Other non-profits
