PROJECT DESCRIPTION

In a typed, double-spaced document of no more than five pages, provide all the information requested below.

1. **Project Summary:** Describe specific purposes for which any grant funds awarded will be used (e.g., specific equipment, overall project funding, etc.). Does this grant request relate to an ongoing project or program; if so, how long has the project or program been operating?
2. **Project Goals/Objectives:** What is the need or problem addressed by the project? What do you expect to accomplish as a result of the project?
3. **Project Impact:** How do you believe a grant to your organization would impact the community? How many people will be served and where? Is your project aimed at a particular population segment?

Project Activities: Describe the implementation plan for the project or program. Outline the action steps and describe the activities, timeline and resources or materials involved. Indicate unique and innovative aspects. Will the project be continued in the future?

4. **Project Evaluation:** What measures will be used to determine the success of the project? Describe the evaluation method or procedure used to measure the success of the project.
5. **Proposed Budget:** Provide an itemized budget for the project, including any revenue anticipated from other donors. You may also include (but not required) a budget narrative (700 word maximum) to help the committee further understand your request (e.g. what do you mean by supplies, technical fees, etc.?)

When the project is completed, a final report should be sent to the Bryan Rotary Grants Committee Chair.

** Send completed Club Grants application to James Edge at edgegop@gmail.com.
