IMAGINE
ROTARY

Together we see a world where people unite and take action to create lasting change across the globe, in our communities, and in ourselves.

THE ROTARY PEACE CENTERS celebrate 20 years of training peacebuilders. Since the first Rotary Peace Centers welcomed peace fellows 20 years ago, more than 1,500 of them have gained the experience, skills, and networks they need to build peace in their communities and around the world. Collectively, program alumni are making a tremendous impact through their work as leaders in conflict transformation, as well as in the areas of community and international development that make conflict less likely to occur. Rotary's long-term commitment to peace education will continue to support leaders in the future. In fact, the peace centers program will expand, with the addition of a new certificate program in the Middle East or North Africa by 2025. This truly is a long-term investment.
