The Rotary Four-Way Test

of the things we think, say or do:

1. Is it the **Truth**?
2. Is it **Fair** to all concerned?
3. Will it build **good will** & better **friendships**?
4. Will it be **beneficial** to all concerned?

 Adjourn

Scottish, hi (informal) hello the noo (hello)

Together we see a world where people unite and take action to create lasting change across the globe, in our communities, and in ourselves.

Song of the Week: This Land is Your Land

**This land is your land, this land is my land,
from California to the New York Island. From the
Redwood Forest to the Gulf Stream waters. This land
was made for you and me**

**As I went walking that ribbon of highway, I saw above
me that endless skyway.
I saw below me that golden valley.
This land was made for you and me.**

**I roamed and rambled, and I followed my footsteps to
the sparkling sands of her diamond deserts. All
around me, a voice was sounding
This land was made for you and me**

**There was a big, high wall there that tried to stop
me. A sign was painted said "Private Property" But on
the backside, it didn't say nothing
This land was made for you and me .**

**When the sun come shining, then I was strolling.
and the wheat fields waving, and the dust clouds
rolling. The voice was chanting as the fog was lifting.
This land was made for you and me .**

**This land is your land, this land is my land
From California to the New York Island. From the
Redwood Forest to the Gulf Stream waters
This land was made for you and me**

Club Membership

Best of Breed**

**March Theme:
Water, Sanitation & Hygiene**

MARCH

A graphic for 'WATER, SANITATION AND HYGIENE MONTH' featuring a young girl smiling at a water tap. The Rotary International logo is in the top right. A quote by Gelila Bekele is overlaid on the image. Below the main text are icons for water, sanitation, and hygiene, and the slogan 'TAKE ACTION Rotary, Be a People of Action'.

Clean water is a basic human right that many are often denied. There are 2.5 billion people in the world that lack access to improved sanitation and 748 million people that don't have clean drinking water. Nearly 1400 children die each day from diseases caused by lack of sanitation and unsafe water. When people have access to clean water, they live healthier and more productive lives.
