Joy finished her Bachelor's Degree in Business Administration, majoring in Economics. She had extensive experience in the pharmaceutical industry. Underwent several product management training programs, including the Pfizer Business Leadership Program at the Asian Institute of Management. Brought with her the pharmaceutical experience and training when she decided to migrate to the US. She entered the graduate program and earned an MBA degree in Healthcare Management, which led to her employment at a home health company and a nursing facility. Later, she was employed as Sales Head for the Midwest region at ABS-CBN, an international multimedia television network. After the pandemic, she joined BEAR (Be A Resource), a 501(c)3 nonprofit organization in private and public partnership with Harris County Resources for Children and Adults. Currently, she serves as the Heart Gallery Outreach Coordinator, providing hope and support to at-risk and CPS-involved children in foster care, helping them fulfill their dreams of finding a second home.

June is designated Rotary Fellowships Month to recognize the importance of international fellowship and goodwill among Rotarians with similar recreational and vocational interests, promote increased participation in fellowships, and increase understanding of this program.
